NEW HIGH SCHOOL BUILDING READY

Will Be Formally Opened This
Afternoon With
Speeches.

The new Honolulu High School building will be formally opened this afternoon. Public exercises will be held at 4 o'clock, and following these the building will be thrown open for inspection. The public is cordially invited to attend and to inspect the building.

The exercises will consist in the main of short addresses. Former Governor Carter, under whose administration the land was secured and the appropriation for the building was made, will be the first speaker. He will be followed by Delegate Kalaianale, Rev. W. Felmy, Dr. Ichitaro Katsuki, Representative E. A. C. Long, Rev. Kong Yin Tet, Representative A. D. Castro, British Consul Forster, and Judge Dole.

The exercises are under the auspices of the High School Alumni Association. The building, although not absolutely completed, some of the furnishings having been delayed, is ready for occupancy and will be occupied next Monday when the school opens for the year under its veteran Principal M. M. Scott.

The contractor, W. G. Chalmers, has been very prompt and up to his contract with the work, and through this fact the building is ready for school work at the beginning of the school term.

The building is on the old Maertens property facing Thomas Square. It is built of concrete blocks shaped and tinted to imitate blue Island lava rock. The architectural design is pleasing and the arrangement of the building is of the most approved educational design.

STOCKHOLDERS TEN A SHARE FOR STOCK

A meeting of the stockholders of Kipahulu Sugar Company was held yesterday forenoon to consider an offer of H. Hackfeld & Co. of \$10 a share for the stock. The company is capitalized at \$160,000 in shares of \$100 each. The enterprise has not been profitable and the company owes large sums of money to its agents. For some time past the company has been operated and managed by Ah Ping, a Chinese, under a contract with H. Hackfeld & Co. Company, the agents, and the company itself. The plantation is located on the eastern end of Maui.

TANSAN DON'T PAY.

Where to get the stuff is what concerns people who want Tansan, not a fuss over the question of agency. I am at the present time, and will be for some time to come, the only person in Honolulu who can fill orders for Tansan. I have neither agents nor solicitors, and no orders will be filled unless given to me personally and accompanied by the cash.

YOU WILL NOT

be deceived. That there are cheats and frauds in plenty everybody knows; but it is seldom or never that any large business house is guilty of them, no matter what line of trade it follows. There can be no permanent success of any kind based on dishonesty or deception. There never was, and never will be. The men who try that are simply fools and soon come to grief, as they deserve. Now many persons are, nevertheless, afraid to buy certain advertised articles lest they be humbugged and deluded; especially are they slow to place confidence in published statements of the merits of medicines. The effective modern remedy known as

WAMPOLE'S PREPARATION is as safe and genuine an article to purchase as flour, silk or cotton goods from the mills of manufacturers with a world-wide reputation. We could not afford to exaggerate its qualities or misrepresent it in the least; and it is not necessary. It is palatable as honey and contains the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry; and how valuable such a blending of these important medicinal agents must be to plain everybody. It is beyond price in Infancia, Anemia, Weakness and lack of Nervous Tone, Poor Digestion, Lung Troubles and Blood Impurities. Science can furnish nothing better—perhaps nothing so good. Dr. W. H. Dams, of Canada, says: "I have used it in my practice and take pleasure in recommending it as a valuable tonic and reconstructive." It is a remedy that can afford to appeal to its record and represents the science and knowledge of bright and aggressive medical investigation. "One bottle convinces." At chemists.

INDIGESTION

A CHELSEA WOMAN SUGGESTS A
COURSE OF TREATMENT.

How to Strengthen the Organs of
Digestion and Really Cure
the Disease.

There are plenty of remedies by which you can relieve for the time heartburn, pain and gas on the stomach and can smother nervous sensations and induce artificial sleep. But when you take your next meal all your troubles begin afresh.

Some people know that the strength which the weak stomach needs, and for the lack of which the whole body is suffering, can be found surely and quickly in Dr. Williams' Pink Pills, a preparation known in medical circles as the greatest blood and nerve tonic. In hundreds of instances these pills have succeeded where every other remedy had failed, and in every case the cure was radical.

Miss A. Gertrude Stewart, of 643 Broadway, Chelsea, Mass., obtained no relief from indigestion until she tried Dr. Williams' Pink Pills. Sufferers from stomach trouble should profit by her experience. She says:

"I had suffered for years from indigestion and would be in bed for two or three weeks at a time. I tried nearly everything I could think of for relief but found none. There was a full feeling in my stomach and I had considerable gas on it. I had a ravenous appetite at times and then again cared for nothing. I was subject to severe nervous headaches and dizzy spells and was short of breath. I had very little color and was in very poor health."

"The doctor's prescriptions did not help me and I took a salt water trip thinking that might do me good. But as I got no relief I tried Dr. Williams' Pink Pills. I commenced to get better after taking a few boxes and could eat without the food distressing me. I took several boxes altogether and can eat anything I want now and am in good health."

Every dyspeptic should have a copy of our diet book which is mailed free to any address. Send postal cards request for a copy today. Dr. Williams' Pink Pills are sold by all druggists, or by mail, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by Dr. Williams Medicine Co., Schenectady, N. Y.

ALEWA HEIGHTS A NEWS CENTER NOW

Mrs. Mark Johnston entertained the Ladies' Aid Society of the Methodist church at luncheon last Tuesday at her Alewa Heights cottage.

After luncheon the ladies held a business session and elected the following officers for the coming year:

President, Mrs. Ready; first vice president, Mrs. Finley; second vice president, Mrs. Crane; treasurer, Mrs. E. C. Smith.

Those present at the meeting were Madams A. Lyle, Crane, Richards, W. Lyle, Holmes, Bryant, Stoddard, Lewis, Finley, Ready, Johnston, Walker, and Ewing.

The Alewa Heights Improvement Club met at Miss Coomb's pretty bungalow on September eighth. Owing to the absence of both the president and vice president, Mr. Barnheart acted as chairman of the meeting.

After the reading of the minutes and report of the nominating committee, the club proceeded to the election of officers for the ensuing year. The following persons were elected: Mr. Creedon, president; Miss Yoder, vice president; Mr. Coombs, secretary, and Mr. Trent, treasurer.

An open discussion followed as to the needs of further road extension. Gratitude was expressed for the courtesy Mr. Marston Campbell had already shown the Alewa residents.

Mark G. Johnston and Oliver H. Walker were elected members of the club.

A sixty-foot flag pole has been erected on Mr. Trent's premises and Old Glory can be seen from any part of town, floating over the Alewaites.

Miss Lynch's and Mrs. Tucker's cottages are well under way and will be ready for occupancy next month.

Miss Sarah Faxon and Mother Richards have been guests of Miss Yoder this week.

Mrs. Mack and daughter have been occupying the Trent cottage this week.

OLD CORPORATION CHANGES ITS NAME

The stockholders of the Hawaiian Office Specialty Co., Ltd., met yesterday and decided to change the name of the corporation to the Office Supply Co., Ltd. The company was recently reorganized by Charles Marquez with the following officers: Charles Marquez, president and manager; John T. Baker, vice president; Richard Cooke, treasurer, and James L. Holt, secretary. These gentlemen are all well known in the community and their connection with the company means success. The business will be conducted in the offices occupied by the old company where lines of office furniture are on sale. It has the agency for the celebrated Remington typewriter, Globe-Wernicke book cases and cabinets, Hallwood cash register and the Edison business phonograph. Other agencies were secured by Mr. Marquez during his recent visit East and the goods are on the way from the factories.
